Tuning: Standard

[Verse]

C **G**
I remember tryin not to stare the
 Am
night that i first met you
F
You had me mezmoriezed and
C
three weeks later in the front porch light
G
takin 45 minutes to kiss goodnight
Am
i hadnt told you yet
F
i thought i loved you then

[Chorus]

C **G**
now your my whole life
G **Am**
now your my whole world
Am **F**
i just cant believe the way i
F **C**
feel about you girl
C **G**
like a river meets the sea
G **Am**
stronger than its ever been
Am **F**
weve come so far since that day
F **C**
and i thought i loved you then

[Verse]

C **G**
and i remember takin you back
Am
to right where i frist met you
F
you were so surprised
C
there wre people around but i didnt care
G
i got down on one knee right there
Am
and once again
F
i thought i loved you then

[Chorus]

C **G**
now your my whole life
G **Am**
now your my whole world
Am **F**
i just cant believe the way i
F **C**
feel about you girl
C **G**
like the river meets the sea
G **Am**
stronger than its ever been
Am **F**
weve come so far since that day
F **C**
and i thought i loved you then

[Bridge]

G
i can just see you
F **C**
with a baby on the way
G
i can just see you
F **C**
when your hair is turnin grey
Am **C**
what i cant see is how im ever
G **F**
gonna love you more
G

but ive said that before

[Chorus]

C **G**
now your my whole life

G **Am**
now your my whole world

Am **F**
i just cant believe the way i

F **C**
feel about you girl

C **G**
well look back someday

G **Am**
at this moment that were in

Am **F**
and i look at you and say

F **C**
and i thought i loved you then

F **C**
and i thought i loved you then

(Solo)
