Ticks

by Brad Paisley

Intro:**E... A E B A E C B E**

Every time you take a sip  
In this smoky atmosphere  
You press that bottle to your lips  
And I wish I was your beer  
And in the small there of your back  
Your jeans are playing peek-a-boo  
I d like to see the other half  
Of your butterfly tatoo

Hey that gives me an idea  
lets get out of this bar  
drive out into the country  
and find a place to park

cause id like to see you out in the moonlight  
I d like to kiss you way back in the sticks  
I d like to walk you through a field of wild flowers  
And i d like to check you for ticks

I know the perfect little path

Out in these woods i used to hunt
