Capo 2

Verse 1

**G**  
After the breakup,  
**D**  
I really thought we d make up.  
**Em**  
Give her a little time, I d be on her mind  
**C**  
And suddenly she d wake up.  
**G**  
But today if you listen,  
**D**  
Softly off in the distance,  
**Em**  
Somewhere cross town, you can hear the sound  
**C**  
Of wedding bells ringing.  
**C**  
And there s bird seed on the concrete,  
**G** **D**  
And she s waving goodbye

Chorus

**C**  
And they re driving away  
**G** **D** **C**  
And everybody cheerin them on as the taillights fade  
**G** **D**  
Yeah she s really gone,  
**C** **D** **D7**  
I thought someday that would be me  
**G** **D**  
But now she s driving away in that limousine  
**C**  
And I m holdin on  
**D** **G**  
Like a tin can on a string.

Verse 2

**G**  
Somewhere in my mind,  
**D**  
I m the one by her side.  
**Em**  
In that backseat, talkin bout the beach  
**C**  
And that honeymoon flight.  
**G**  
I d play the whole thing out,  
**D**  
From the kids to the house,  
**Em** **C**  
To the future that we always dreamed about.  
**C**  
But there s bird seed on the concrete,  
**G** **D**  
And back here in reality

Chorus

**C**  
She s driving away  
**G** **D** **C**  
And everybody cheerin them on as the taillights fade  
**G** **D**  
Yeah she s really gone,  
**C** **D** **D7**  
I thought someday that would be me  
**G** **D**  
But now she s driving away in that limousine  
**C**  
And I m holdin on  
**D** **G**  
Like a tin can on a string.

**G C D G**

Chorus

**C** **D** **D7**  
I thought someday that would be me  
**G** **D**  
But now she s driving away in that limousine  
**Em** **C**  
And I m not ready to let go of everything  
**G** **D**  
So I m holdin on, I m holdin on
