Waitin on a woman

[Verse 2]

He said the wedding took a year to plan,  
You talk about an anxious man, I was nervous,  
Waitin on a woman  
And he nudged my arm like old men do, and said  
I ll say this about the honeymoon, it was worth it,  
Waitin on a woman

[Chorus]

**Am** (G)  
And I don t guess we d been anywhere  
**F**  
She hasn t made us late I swear,  
**C** **G** **C**  
Sometimes she does it just cause she can do it,  
**Am** (G)  
Boy it s just a fact of life,  
**F**  
it s be the same with your young wife,  
**C** **F** **C**  
Might as well go on and get used to it,  
**Dm** **C-F**  
she ll take her time, cause you don t mind,  
**C**  
Waitin on a woman

( lead - G - C - G - C )

[Pre-Chorus]

**Am** (G)  
I ve read somewhere statistics show,  
**F**  
The mans always the first to go,  
**C** **G** **C** (C/B)  
And that makes sense cause I know she won t be ready,  
**Am** (G)  
So when it finally comes my time,  
**F**  
And I get to the other side,  
**C** **F** **C**  
I ll find myself a bench if they got any,  
**Dm** **C-F**  
I hope she takes her time, cause I don t mind,  
**C**  
Waitin on a woman,  
**Dm** **C-F**  
Honey take your time, cause I don t mind,  
**C-Csus4**  
waitin on a woman,

[Outro] - G - C
