Capo 3

[Intro] **D A D A**

[Verse 1]

**D**  
Inflatable pool full of dad s hot air

**D**  
I was three years old

**G**  
Splashin everywhere

**Bm C G**  
And so began my love affair

**D**  
With water

**D**  
On a river bank

**A**  
With all my friends

**D G**  
A big old rope tied to a limb

**Bm**  
And your a big old wuss

**C G**  
If you don t jump in

**D**  
The water

[Chorus]

**G D A D**  
Yeah when that summer sun starts to beatin down

**G D A**  
And you don t know what to do

**G D**  
Grab your swimming trunks

**A Bm**  
Ice up that old igloo

**C G A**  
Drive until the map turns blue

[Verse 2]

**D A**  
Daytona Beach on spring break

D          G  
Eighteen girls up on stage  
          Bm                  C  G  
White t-shirts about to be sprayed  
          D  
With water Oh let er go boys

[Interlude] D A Bm G Bm C G D

[Chorus]

          G          D  A          D  
Yeah when that summer sun starts to beatin down  
          G          D          A  
And you don t know what to do  
          G          D  A                  Bm  
Just go and grab someone you wanna see in a bathing suit  
          C                  G          A  
And drive until the map turns blue

[Verse 3]

                  D  
You can stay right there  
          A  
When the daylights gone  
          D  
Play truth or dare  
          G  
And it won t take long  
          Bm                  C G  
Fore you and her got nothin on  
          D  
But water

[Outro]

          D                  A  
All you really need this time of year  
          D  
Is a pair of shades  
          G  
And ice cold beer  
          Bm                  C G  
And a place to sit somewhere near  
          D  
Water
