

Whisky Lullaby
Brad Paisley

[Intro]

Bm G

[Verse]

She put him out like the burning end of a midnight cigarette
A D G A
She broke his heart he spent his whole life trying to forget
Bm A D
We watched him drink his pain away a little at a time
Bm A D
But he never could get drunk enough to get her off his mind
A
Until tonight...

[Chorus 1]

He put that bottle to his head and pulled the trigger
Bm A G
And finally drank away her memory
D A
Life is short but this time it was bigger
Bm A G
Than the strength he had to get up off his knees
D A
They found him with his face down in the pillow
Bm A G
With a note that said I ll love her til I die
D A
And when we buried him beneath the willow
G Bm
The angel s sang a whiskey lullaby
Bm G
La la la la la la la, La la la la la la la
Bm G
La la la la la la la, La la la la la la la
