Verse:

A **D** **E** **A**
Every day I clock out, and head straight to her house
A **D** **E**
We cuddle up on the couch, But it always ends the same old way
E **E**
I m drivin home and it s incredibly late, Something s got to change,
Chorus:

D **A**
I ve been wrapped around her finger since the first time we went out
E **D** **A**
every day, every night, she s all i think about
D **A** **D**
I need that girl beside me when the lights go out
A **E**
A
I think it s time to put a ring on her finger, i m wrapped around

Verse: (same notes)

Went to the bank, took out a loan, went and bought the perfect stone
Called up her dad on the phone, I m taking him to dinner sunday night
I ve never been so nervous in my life, I want to do this right, cause

Chorus:

Lead: **A D E A D**

Bridge:

E **E**
Yes sir I love her very much, I know it s only been seven months
E
But that s long enough

Chorus:
