Song Title: You Need A Man Around Here

Capo 1

Intro - **A** - **E** - **A**

(verse 1)

A **E**
You sure gotta real nice place,
A
So don t take this the wrong way,
D
But I can tell by your decorating taste,
E
You ve been alone too long,
A **E**
You got more candles than a midnight mass,
A
That fancy mirror adds a touch of class,
D
Do you know how good a mounted bass
E
would look there on that wall,

(chorus)

D
You need a man around here,
A
Can t do it all by yourself,
D
To me it s painfully clear,
A
You could use, a little help,
D **E**
Someone to kill the spiders,
A **D**
To change the channel and drink the beer,
E **A**
Seems to me that you sure need a man around here,

(lead - **A** - **D** - **E** - **A** - **D** - **E** - **A**)
