- G** (355433)

```

F                               Dm                               G
washed up on the shoreline getting sand in my face

                C                               F
i took it hard and now iâ€™m spending my days

                Dm                               G
drunk lying around in total comfort and sin

                C
and if you believe me i can do it again

```

Bb **C**
sold out all my friends and then i took it easy

Bb **C**
everybody said they never would believe me

Bb **C** **G**
i paid no attention to the very end

oh yeah i think i started a trend

F **Dm** **G**
dead clothes horses running crazy out of the gates

C
player haters in the meadow learning how to create

F **Dm** **G**
big belly well he said he was a man from LA

C
he seemed okay and so i signed it away

Bb **C**
sold out all my friends and then i took it easy

Bb **C**
everybody said they never would believe me

Bb **C** **G**
i paid no attention to the very end

oh yeah i think i started a trend
