

Colder
Brainstorm

Bm **A**
Come, oh, come early
G **A**
Iâ€™m afraid of getting colder, colder
Bm **A**
Keep the night burning
G **A**
To shine our love always, always

Bm Bm A A

Bm
Pictures on the wall
Bm
Her pictures on my wall
A **G**
sheâ€™s so beautiful, so beautiful
Bm
Climbing up to fall
Bm
Iâ€™m climbing up to fall
A **G**
Iâ€™m still staying cool, Iâ€™m staying cool

Bm
One day Iâ€™ll find you just to prove that Iâ€™m real
A **G** **F#**
Out of love and hate, of love and hate
Bm
And losing ties with common sense, baby, I know
A **G** **F#**
I will make a bridge to place where my mind goes

Bm **A**
Come, oh, come early
G **A**
Iâ€™m afraid of getting colder, colder
Bm **A**
Keep the night burning
G **A**
To shine our love always, always
