

Colder

Brainstorm

Am **G**
Come, oh, come early
F **G**
Iâ€™m afraid of getting colder, colder
Am **G**
Keep the night burning
F **G**
To shine our love always, always

Am Am G G

Am
Pictures on the wall
Am
Her pictures on my wall
G **F**
sheâ€™s so beautiful, so beautiful
Am
Climbing up to fall
Am
Iâ€™m climbing up to fall
G **F**
Iâ€™m still staying cool, Iâ€™m staying cool

Am
One day Iâ€™ll find you just to prove that Iâ€™m real
G **F** **E**
Out of love and hate, of love and hate
Am
And losing ties with common sense, baby, I know
G **F** **E**
I will make a bridge to place where my mind goes

Am **G**
Come, oh, come early
F **G**
Iâ€™m afraid of getting colder, colder
Am **G**
Keep the night burning
F **G**
To shine our love always, always
