

Colder
Brainstorm

C#m **B**
Come, oh, come early
A **B**
Iâ€™m afraid of getting colder, colder
C#m **B**
Keep the night burning
A **B**
To shine our love always, always

C#m C#m B B

C#m
Pictures on the wall
C#m
Her pictures on my wall
B **A**
sheâ€™s so beautiful, so beautiful
C#m
Climbing up to fall
C#m
Iâ€™m climbing up to fall
B **A**
Iâ€™m still staying cool, Iâ€™m staying cool

C#m
One day Iâ€™ll find you just to prove that Iâ€™m real
B **A** **G#**
Out of love and hate, of love and hate
C#m
And losing ties with common sense, baby, I know
B **A** **G#**
I will make a bridge to place where my mind goes

C#m **B**
Come, oh, come early
A **B**
Iâ€™m afraid of getting colder, colder
C#m **B**
Keep the night burning
A **B**
To shine our love always, always
