Em-A-Hm-Hm

Em-A-Hm-Hm

Em-A-Hm-Hm

Em Hm

Like ships without anchors

G A

Wide is the ocean, no islands, no shores

Em Hm

All is well, only

G A Em-A-Em-A

This is such a lonely feeling to be lonely

Em Hm

Fame is illusion

G A

Bright are the lights and you -

Em

You are left in confusion

Hm

All is well, only

G A

This is such a lonely feeling

G A

This is such a lonely feeling

Em A Hm

Driving fast, as fast as I can

Em A Hm

Or sitting quietly on the windowsill

Em A Hm

You've got all and nothing

Em A Hm

Just put no more loneliness on my bill

G A

This is such a lonely feeling

All songs should be happy

Actors young and soap operas crappy
Movies are x-rays
Our destinies are choosing our ways
And what should we do?
To enjoy life the most or hiding like ghosts?
All is well, only
This is such a lonely feeling
This is such a lonely feeling

Driving fast, as fast as I can
Or sitting quietly on the windowsill
You ve got all and nothing
Just put no more loneliness on my bill

Driving fast, as fast as I can
Or sitting quietly on the windowsill
You ve got all and nothing
Just put no more loneliness on my bill
