

**Shes My Love**  
**Brainstorm**

**C F** (x4)

**C F C F**  
Someone wants her body,

**C F C F**  
Someone wants her mind,

**Am Em**  
And someone tells the stories

**G Dm F**  
Coz someone wants her time

And someone wants her bedroom  
Someone wants her smile,  
Someone wants to love her  
To love her for a while

**Bm**  
But she s my love,  
**A Em G**  
I let her alone behind the door

**Bm**  
She s my love,  
**A D G**  
She ll never be loved by anyone any more,

**Bm**  
She s my love  
**A F#m**  
She ll never be loved by anyoooooone

And someone wants to take her  
And someone wants her dreams  
And someone wants to..  
And she knows what it means

Coz she s my love,  
I let her alone behind the door  
She s my love,  
She ll never be loved by anyone any more,  
She s my love  
She ll never be loved by anyoooooone

**A Em G Dm**

Coz she s my love,  
I let her alone behind the door  
She s my love,  
She ll never be loved by anyone any more,  
She s my love

She ll never be loved by anyooooone
