You and me, we could be  
Something extraordinary

Somewhere in the sky worth finding

A mile high and in the sky

**G**

So you could see the world

We could walk down to the corner

Store by store, hour by hour

**D**

I ll find you what you re looking for

I know you know me

You could be my pretty lady

**G**

**Em**

We ll grow old, rocking chairs on our front porch
