

My Loved Ones
Brand New Sin

VERSE 1

Dm	F	G	Dm
	Gone off to sleep they have,		
Dm	F	G	Dm
my loved ones			
Dm	F	G	Dm
	I lay down these fears Iâ€™ve had		
Dm	F	G	Dm
since I was just a boy			
Dm	F	G	Dm
	Scribblings in the pages scream		
Dm	F	G	Dm
out at you			
Dm	F	G	Dm
Youâ€™ve seen this,			
Dm	F	G	Dm
and you know this to be true			

CHORUS

Dm	F	G	Dm
At last youâ€™ve finally learned			
Dm	F	G	Dm
that â€œStonesâ€• song			
Dm	F	G	Dm
You crash and you burn,			
Dm	F	G	Dm
and you donâ€™t slow down for the turn			

VERSE 2

Dm	F	G	Dm
	You constantly contemplate		
Dm	F	G	Dm
whatâ€™s best			
Dm	F	G	Dm
	The good life		
Dm	F	G	Dm
Or the hell that you detest			
Dm	F	G	Dm
	The band always wrecks the song		
Dm	F	G	Dm
like a dirty string			
Dm	F	G	Dm
	Snaps when you need it most,		
Dm	F	G	Dm
and slits your wrist as it rings			

CHORUS

Dm	F	G	Dm
At last youâ€™ve finally learned			
Dm	F	G	Dm
that “Stones” song			
Dm	F	G	Dm
You crash and you burn,			
Dm	F	G	Dm
and you donâ€™t slow down for the turn			

BRIDGE

F	Dm		
Mind you whatâ€™s behind you			
A#	A#		
Itâ€™s gonna find you			
Dm	F	G	Dm
Itâ€™s gonna find you			

SOLO

Dm	F	G	Dm
...			

CHORUS

Dm	F	G	Dm
At last youâ€™ve finally learned			
Dm	F	G	Dm
that “Stones” song			
Dm	F	G	Dm
You crash and you burn,			
Dm	F	G	Dm
and you donâ€™t slow down for the turn
