Brand New

eADGBE, but you can rock it in Drop D, if that's more your style.

**E** **D**  
Goodbye to sleep,  
**E** **D**  
I think that staying up is exactly what I need  
[**D**] **C**  
We'll take apart your head  
[**C**] **D** **E**  
Take apart the counting, and the flock it has bred

**E** **D**  
Goodbye to love,  
**E** **D**  
We'll it's a ride that'll push you up  
**C**  
Right against the wall  
[**C**]  
(Right against the wall)  
[**C**] **D** **E**  
Chew it up and swallow it

**E** **D** **E**  
You're brought back but you're running  
[**E**] **D** **E**  
I'll find sleep in the end tonight  
[**E**] **D**  
I can't shake this little feeling  
**E**  
I'll never get anything right

**E** **D**  
Goodbye you liar,  
**E**  
**D**  
We'll you sipped from the cup but you don't own up to anything  
**C**  
Then you think you will inspire  
[**C**]  
Take apart your head  
[**C**]  
(and I wish I could inspire)  
[**C**] **D** **E**  
Take apart the demon, in the attic to the left.

You re brought back but you re running			
[ <b>E</b> ]	<b>D</b>		<b>E</b>
I ll find sleep in the end tonight			
[ <b>E</b> ]	<b>D</b>		
I can t shake this little feeling			
<b>C</b>			
I ll never get anything right			
<b>B</b>		<b>C</b>	
I m on my own, never say anything right			
<b>B</b>		<b>C</b>	
I m on my own, never say anything right

I m on my own, never say anything right			
<b>E</b>			
Well take me, take me back to your bed			
<b>D</b>			
I love you so much that it hurts my head			
<b>E</b>			
I don t mind you under my skin			
<b>D</b>			
I ll let the bad parts in, the bad parts in			
<b>E</b>			
When we were made we were set apart			
<b>D</b>			
Life is a test and I get bad marks			
<b>E</b>			
Now some saintâ€™s got the job of writing down my sins			
<b>D</b>			
The storm is coming, the storm is coming
