

Found A Good Man
Brand New

Okay Here s my very first Tab on this site, actually my first Tab ever.
The strumming patterns are pretty simple, sort of like Play Crack The
Sky s were so.... I m not putting anything but the chords and the
progression with the lyrics. I hope you like it. Give me feedback
Please. Thanx

well i wrote your name and burned it,

G D
to see the color of the flame,

Am C
and it burned out the whole spectrum,

G Em
as if you were everything,

Am C
mine just burned gold, a normal flame,

G Em G C G D
i am, not anything, and all that i remember is the feeling of waking up,

Am C G Em
when we were kids, you were the sun to which my eyes would not adjust,

Am C G
when we were kids, i was a fountain, you could never drink enough,

G C G D
then came all the boys who swept you up, playing careless with your heart

Am C G Em
and every night there was a new girl, sitting beside me in my car,

something dies when you grow older, but you do the best you can,

Am **C** **G**

i am glad, i am glad, you found a good man
