Intro - **Am, C** X2

Am

Jesus Christ, that s a pretty face

The kind you d find on someone that could save

C

If they don t put me away

Itâ€™ll be a miracle

Am

Do you believe you re missing out?

That everything good is happening somewhere else

C

But with nobody in your bed

The night is hard to get through

Am

C

And I will die all alone

Am

C

And when I arrive I wonâ€™t know anyone

Am

Well, Jesus Christ, Iâ€™m alone again

So what did you do those three days you were dead?

C

Because this problem s gonna last

More than the weekend

Am

Well, Jesus Christ Iâ€™m not scared to die

Iâ€™m a little bit scared of what comes after

C

Do I get the gold chariot

Do I float through the ceiling

Am **C**

Do I divide and fall apart

Am **C**

Cause my bright is too slight to hold back all my dark

Am **C**

This ship went down in sight of land

Am **C**

And at the gates does Thomas ask to see my hands?

Am, C X4

F

I know you ll come in the night like a thief

Am

But Iâ€™ve had some time alone to hone my lying technique

F

I know you think that Iâ€™m someone you can trust

Am

But Iâ€™m scared Iâ€™ll get scared and I swear Iâ€™ll try to nail you back up

F

So do you think that we could work out a sign

Am

So Iâ€™ll know it s you and that it s over so I won t even try

F

I know you ll come for the people like me

Am

But we all got wood and nails,

G **F**

Turned into a hate factory

Am

But, we all got wood and nails

G **F**

Turned into a hate factory

Am

we all got wood and nails

G **F**

Turned into a hate factory

Am

Yeah, we all got wood and nails

G **F**

And we sleep inside of this machine

Outro - **Am, C X4**

Thanks for checking this out.

I m pretty sure all of it s right because i watched a video of Jesse Lacey and Kevin playing it.
