

Okay I Believe You But My Tommy Gun Dont
Brand New

(Guitar and Bass together--very quiet slide to each chord)

[Intro]

Em G C x2

[Verse]

Em G C Em G C
I m heaven sent, Don t You Dare Forget
Em G C Em G C Em
I am all you ve ever wanted, with all the other boys old problems
G C Em G C
Sorry I don t, i just needed you to know
Em G C Em G C D
i think in decimals and dollars, i am the cost to all your problems
B Em G C
shelter from cold, we are ne--ver alone
D B
coordinate brain and mouth,
Em G C D
then ask me what its like to have myself so figured out
wish i knew

(now another guitar comes in picking the A and D strings of the intro chords)
other wise just play intro x2)

[Verse 2]

Em G C
I hope this song starts a craze
Em G C
the kind of song that ignites the airways
Em G C Em
the kind of song that makes people glad to be where they are
G C
with you ever theyre there with
Em G C Em G C Em
this is war, every line is about who i dont wanna write about anymore
G C Em G C
hope you come down with something they cant diagnose, dont have the cure for
D B Em G C
holding on to your grudge, oh its so hard to have someone to love
D B
and keeping quiet is hard
Em G C D
because you cant keep a secret if it never was a secret to start
at least pretend you didnt want to get caught

(heavily distorted guitar comes in on GET slides on E string to first chord of
