

The Quiet Things That No One Ever Knows
Brand New

submitted by b. atch

intro: **G Bm+5 C D**

G we saw the western coast, **Bm** i saw the hospitals, **C** and nursed the shoreline
D G Bm C
like a wound, reports of lovers trysts, were neither clear nor descript, we
D G
kept it safe and slow, the quiet things that noone ever knows, so keep the
Bm
blood in your head, and keep your feet on the ground, if todays the day it
C
gets tired then todays the day we drop out, gave up my body and bed all for
D G
an empty hotel, wasting my words on lower cases and capitals, i contemplate
Bm C
the day we wed, your friends are boring me to death, your veil is ruined in
D G Bm
the rain, by then its you i can do without, there s nothing new to talk
C D
about, and though our kids are blessed, their parents let them shoulder all
G Bm
the blame,so keep the blood in your head, and keep your feet on the ground,
C
if todays the day it gets tired then todays the day we drop out, gave up my
D
body and bed all for an empty hotel, wasting words on lowercases and
G Bm C D G Bm C D
capitals, i lie for, only you, and i lie well, hallelujah
