

**White Christmases In Houston
Branded**

-- = single strum

G Em G
If you dream of horse drawn carriages

C D G
Dashing through the snow

Before you move to Texas

A7 D7
Thereâ€™s something you should know

C G
That they donâ€™t have White Christmases in Houston

C D7 G
Iâ€™ve lived here most my life and I should know

C G
Iâ€™ve prayed and Iâ€™ve pleaded for way too many years

C D7 G
But they just donâ€™t have White Christmases down here

G C G
Iâ€™ve heard of winter carnivals in Aspen

G C G
It looks just like a winter wonderland

A7 D7
But remember while youâ€™re freezinâ€™ throughout this Christmas season

A7 D7
Weâ€™ll be down here with Christmas cheer and flip-flops in the sand

C G
That they donâ€™t have White Christmases in Houston

C D7 G
Iâ€™ve lived here most my life and I should know

C G
Iâ€™ve prayed and Iâ€™ve pleaded for way too many years

But they just donâ€™t have White Christmases down here

[Repeat chorus chords: **C G C D7 G C G C D7 G**]

Iâ€™ve seen all those Christmas shows on TV

Blankets of white powder, my how grand

But while youâ€™ve got snow and holly, Iâ€™m feasting on tamales
