C#m E A E
Around here its the hardest time of the year
A E A
Waking up the days are even gone
C#m E A E
Will the collar of my coat Lord help me killing off the cold
A E A
Will the rain drops sting my eyes or keep them closed

C#m E
But I m feeling no pain
B A E A
only the lonley my quietest friend
E B
Have I the moonlight Have I let you in
A E
Say it ani t so, say I m happy again

Refrão:

C#m B E A E A
Say it s over, say I m dreaming, say I m better than you left me
E A
Say you re sorry I can take it
C#m B E A E A
Say you ll wait, say you won t, say you love me say you don t
E A E A E A
I can make my own mistakes, Let it bend before it breaks

Verso 2:

C#m E A E
I m alright, don t I always seem to be
A E B
Aren t I swinging on the stars, don t I wear em on my sleeves
C#m E B C#m A
But when your looking for a crossroad, It happens every day
A E B E
And whicheverway you turn, I m gonna turn the other way
