

Cannonball

Brandi Carlile

G

I was born when I met you

Em

Now I'm dying to forget you

Am

D

And that is what I know

G

Though I dreamed I would fall

Em

Like a wounded cannonball

Am

D

Sinking down with my heart in tow

Bm

G

Bright lights like white lightning

C

G

Who shot me down

C

G

Who will cut me down

Bm

G

D

Am

I'm frozen in my bed till the day comes around

C

How I'm lost

D

How I'm found

G

There's a man all alone

Em

Telling me his friends are gone

Am

D

That they've died and flown away

G

So I told him he was wrong

Em

That your friends are never gone

Am

D

If you look to the sky and pray

Bm

G

Bright lights like white lightning

C

G

Who shot me down

C

G

Who will cut me down

Bm

G

D

Am

I'm frozen in my bed till the day comes around

C

How I m lost

D

How I m found

G

Someone told me a lie

Em

Someone looked me in the eye

Am

D

And said time will ease your pain

G

But behold, when you fall

Em

It s that same old cannonball

Am

D

Coming back for your heart again

Em

G

Bright lights like white lightning

C

G

Who shot me down

C

G

Who will cut me down

Em

G

D

Am

I m frozen in my bed till the day comes around

C

D

And it may come around

Am

Until the day comes around

C

How I m lost

D

How I m found

G

I was born when I met you

Em

Now I m dying to forget you

Am

D

And that is what I know
