Title: Closer To You

Capo 4th Fret

I play on the 5-String Banjo, so variations of some chords (especially Dsus instead of D) will sound better on the guitar

Intro: figure out the tab by ear ;-)
Repeat intro before each verse, but not the bridge

G G C C

Verse

G C

It s hard to let the miles pass me by

Dsus/G/Am G D

Yellow lines that blend together in my eyes

Am G Dsus/G/C

And when the seasons change again then I will too

Am G D G

I just want to be closer to you

I m staring out at endless rows of green
There are miles of hay like I have never seen
Just when you think you ve had enough and your dreams come true
I just want to be closer to you

Bridge

Am G C

My mind wanders through all that I ve been hiding from

Am G C

I tried not to let you down

Am G C

Now I wonder if I ve been doin something wrong

Am G C G Am D G

Help me get my feet back on the gro " ou " ou " ou " ound
