

Downpour

Brandi Carlile

G D G G

G Am D G

I m like the rain in a downpour

G Am D G

I wash away what you long for

Em Bm C G

And I wave goodbye with the sun in my eyes

G D G G

I wish I could be there tonight

G Am D G

I m like the wind in the canyon

G Am D G

I m there when I m gone in a second

Em Bm C G

You re growing older in peace where you re at

G D G G

I wish I could be there for that

C D G G

But I ve moved on

Am G D D

Like a rolling stone

C D G G

In a crowded room

Am G D D

I m alooooooooooone

G Am D G

I m like the rain in a downpour

G Am D G

I wash away what you long for

Em Bm C G

And I wave goodbye with the sun in my eyes

G D G G

I wish I could be there tonight

G Am D G

You re like the tide in the deep blue

G Am D G

Cause you re always there when I need you

Em Bm C G

And when you need someone to carry you through

G D G G

I m gonna be there for you

G D G G

I m gonna be there for you
