

Follow

Brandi Carlile

Brandi Carlile "Follow"

Tuning: Standard

Tabbed by: Pandamonio

B **Ebm**
Follow your heart and see where it might take you
Ebdim
Don't let the world outside there break you
E
They know not who you are inside
Em **B**
They have never felt your hell
Em
Don't ever let them crack...

B **Ebm**
Hold out I know you feel it getting cold out
Ebdim
Without the blanket for your soul now
E
Before you know it you'll be frozen
Em **B**
You have to see this through
Em
There's no one here but you

CHORUS

F# **C#**
I feel the rain coming down
C#m **B**
It reminds me of who I used to be
Bm **F#**
But now that's nothing more
Bm
Then a memory

B **Ebm**
Don't go, to sleep and cry because tomorrow
Ebdim
If you let it it will swallow
E
You up and none of this will matter
Em **B** **Em**
Will matter anymore

CHORUS

I feel the rain coming down

It reminds me of who I used to be
But now that s nothing more
Than a memory

B Ebm Ebdim E Em B Em B Em

CHORUS

I feel the rain coming down
It reminds me of who I used to be
But now that s nothing more
Than a memory

B Follow your heart and see where it might take you **Ebm**

Ebdim

Don t let the world outside there break you

E

They know not who you are inside

Em

B

They have never felt your hell

Em

Don t ever let them crack...

B

Your shell...
