C G Am F

Forever Young - I want to be Forever Young

Do you really want to live forever? Forever Young.

Some of us are like water and some are like heat Some are the melody and some are the beat Sooner or later we'll be gone. Why don t we stay young? But it s hard getting older without a cause
I don t want to perish like a fading horse
Youth like diamonds in the sun - and diamonds are forever

So many adventures could happen today
So many songs we've forgotten to play
So many dreams are swinging out of the blue - If we let them come true.

To Chorus than To Instrumental than To Final Chorus.
