

## Hallelujah

Brandi Carlile

Rufus Wainwright's version of this song is in the key of C, but Brandi plays it in G and tweaks the verse and chorus just a bit. This is not on her album, but she plays it live at some shows.

Guitarists should toy around to see which D chord works best for the song. I'm using something close to Dsus on my banjo.

intro:

| G Em | G Em |

1st:

          G                          Em  
I've heard that there's a secret chord  
          G                          Em  
That David played and it pleased the Lord  
          C                          C                          G                          G  
But you don't really care for music do you?

          G                          C                          D  
It goes like this, the fourth, the fifth  
          Em                          C  
The minor fall, the major lifts  
          D                          Am                          Em  
And the baffled King composing Hallelujah

          G  C          C  G  
Hallelujah, hallelujah  
          G  C          C-G-D-G  
Hallelujah, hallelujah

2nd:

Well your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty in the moonlight overthrew you

She tied you to her kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the hallelujah

Hallelujah, hallelujah  
Hallelujah, hallelujah

3rd:

Darling Iâ€™ve been here before  
Iâ€™ve seen this room, Iâ€™ve walked these floors  
You know I used to live alone before I knew you

Iâ€™ve seen your flag on the marble arch  
Love is not a victory march  
Itâ€™s a cold and itâ€™s a broken hallelujah

Hallelujah, hallelujah  
Hallelujah, hallelujah, Oh yeaâ€¦

5th:  
There was a time when you let me know  
Whatâ€™s really going on below  
But now you never show it to me, do you?

And remember when I moved in you  
The Holy Dark was moving too  
And every breath you drew was hallelujah

Hallelujah, hallelujah  
Hallelujah, hallelujah

6th:  
So maybe thereâ€™s a God above  
But all I ever learned from love  
Was how to shoot at someone who outdrew you

Itâ€™s not a cry you can hear at night  
Itâ€™s not somebody whoâ€™s seen the light  
Itâ€™s a cold and itâ€™s a broken hallelujah

**G C C G**  
Hallelujah, hallelujah  
**G C C-G-D-G**  
Hallelujah, hallelujah

**G C C G**  
Hallelujah, hallelujah  
**G C C-G-D-G**  
Hallelujah, hallelujah
