C Em Am Em
maybe you thought I hung the moon
F (C) F G
maybe you thought we were Johnny & June
C Em Am Em
maybe we thought it was just us two
F G C
maybe we spoke too soon

C Em Am Em
we never lie and we don't tell tales
F (C) F G
we bite our tongues and our fingernails
C Em Am Em
we fall in love and we don't fall out
F G C
maybe we speak to soon

(Chorus)

C Em7 Am
here's to you and me
 Em F
and in between
 C G
we draw a line

but we can't
C Em7 Am
see where it's bent
 Em F
we scratch our heads
 C G
and race against
 C Em Am Em F G C
the hearts content

C Em Am Em
maybe we hurt who we love the most
F C G
maybe it's all we can stand
C Em Am Em
maybe we walk through the world as ghosts
 F G C
break my own heart before you can

Chorus

C **Em** **Am** **Em**
maybe we know how the story ends
F **C** **G**
maybe it s not even about us
C **Em** **Am** **Em**
we both retreat to opposing sands
 F **G** **C**
and love lives on without us

C **Em**
one thing I know for sure is
Am **G** **F**
love will find a way
Am **G** **F**
love will find a way

Chorus
end on C
