

If There Was No You
Brandi Carlile

Capo on the 4th fret

[Verse]

C

when I see myself

I m seeing you too

G

as long as I remember

and I m feeling like I knew

C

that my jokes aren t funny

the truth isn t true

G

if there was no you

[Verse]

C

if you were my boat in the deep blue sea

G

I probably sink you down

C

I know I should have thanked you for carrying me

G

D

but for you I will happily drown

[Chorus]

G

D

Cadd9

G

out on your way the darkest night the longest day

C

G7

D

I know what to say to make you laugh

G

D

and nothing you could do

C

G7

could make me turn my back on you

C

when you re looking for a

G7

D

fight I m your man

Am

when you need a friend

D

you got my hand

[Verse]

C

And what I really mean

what I m trying hard to say

G7

is that I m counting on you

and you got me too

C

our secrets aren t safe

I m singing out of tune

G7 D

if there was no you

C

if there was no you

[Chorus]

G D Cadd9 G
out on your way darkest night the longest day

C G7 D
I know what to say to make you laugh

G D
and nothing you could do

C G7
could make me turn my back on you

C
when you re looking for a

G7 D
fight I m your man

Am
when you need a friend

D
you got my hand

Am
when you need a friend

D
you got my hand

G
you got my hand
