

Josephine

Brandi Carlile

[Chorus]

Take me back Josephine (on the first time through this part is sung a capella)
To that cold and dark December
I am missing someone but I donâ€™t know who
Now Iâ€™m standing alone
And Iâ€™m trying to remember
Sometimes I wonder how I ever
Started loving you

[Verse]

Noontime wind can you blow
For me one more time and take me
On back to the start
Where the midnight moon
Shines so bright
Nearly pulled us up to heaven
By the strings of our hearts

[Chorus]

Take me back Josephine (on the first time through this part is sung a capella)
To that cold and dark December
I am missing someone but I donâ€™t know who
Now Iâ€™m standing alone

And Iâ€™m trying to remember
