

Just Kids

Brandi Carlile

G Em D C

G Em Am  
Were we just kids, just starting out  
Bm C  
Didn't we know then love was about  
G Am  
Were we just fooling, playing around  
Bm C  
Were we ever gonna get out of this town

G Am  
Move to Seattle, stay up all night  
Bm C  
That was when bedtime was our biggest fight

G Em  
oooooooooooooooooooooooooooo  
D C  
oooooooooooooooooooooooooooo

G Em  
oooooooooooooooooooooooooooo  
D C

G Am  
All in a moment, all in a sound  
Bm C  
All in a day's work, we're tumbling down  
G Am  
Down by the old school, trash in the street  
Bm C  
Searching the eyes of the strangers we meet

G  
Asking will it get better?

Am  
Will we be alone?

Bm C  
Turning the wheels of our bicycles home

G Em  
oooooooooooooooooooooooooooo
