Let It Go

Brandi Carlile, Emily Saliers

The song is co-written with Emily Saliers. I had to chose to submit it as a Brandi or Emily song, so I just chose one of them.

Here are the chords for Let It Go. I m working on the tabs, both Brandi s and Emily s part, but I m not finished yet, so if you have any questions, e-mail me @ catherine.arpo@gmail.com. If you feel like making it a bit easier to play you can exchange some of the chords; **C#m** to **E**, **Bm** to **D**.
