

**The Story**

**Brandi Carlile**

Tuning is half-step down.

[Chorus]

**C**  
All of these lines across my face  
**G**  
Tell you the story of who I am  
**Am**  
So many stories of where I ve been  
**F**  
And how I got to where I am  
**C**  
But these stories  
**G**  
don t mean anything  
**Am** **F**  
When you ve got no one to tell them to  
**C** **G** **C**  
It s true....I was made for you

[Verse]

**C**  
I climbed across the mountain tops  
**G**  
Swam all across the ocean blue  
**Am**  
I crossed all the lines and I broke all the rules  
**F**  
But baby I broke them all for you  
**C** **G**  
Because even when I was flat broke  
**Am** **F**  
You made me feel like a million bucks  
**C** **G** **C**  
Yeah you do, and I was made for you  
**C**  
You see the smile that s on my mouth  
**G**  
It s hiding the words that won t come out  
**Am**  
And all of my friends who think that I m blessed  
**F**  
Well they don t know my head is a mess  
**C** **G**  
No they don t know who I really am  
**Am** **F** **C**  
And they don t know what I ve been through, but you do

**G** **C**  
And I was made for you

[Chorus]

**C**  
All of these lines across my face

**G**  
Tell you the story of who I am

**Am**  
So many stories of where I've been

**F**  
And how I got to where I am

**C**  
But these stories

**G**  
don't mean anything

**Am** **F**  
When you've got no one to tell them to

**C** **G** **C**  
It's true....I was made for you
