You Bring My Home by Brandon Chandler

These are all cheater chords so that anyone can play this song. I haven't uploaded any other songs, but I noticed no one posted this one, so I figured it out and wanted to share it with others. It is a beautiful song!

For some reason, the spacing of the chords keeps moving all over the place, so I know it's not very helpful... Hopefully, by listening to the song, you can figure out where each chord is supposed to be played.

Capo 8

**C** **G**  
My, my, my, I've got so much to say
