Can't Deny My Love
Brandon Flowers

```
Em                                    C                      Em
Open up, till the night our bed is  underneath a heavy moon
Em                                    C                       Em
Cast a doubt like a shadow walking   through the corners of the room
C                        D          Em
I always thought I have a   full tank to go
                  Bm
(But not tonight, you ought know)
C                          D
I always thought I d find my   own way...

           C
(What s going on in your head now?
D
Maybe something I said?
    Em                                 Bm
I know that you ve been living in the past.
        C
What s going in your head now?
D
Maybe something I said)

C                             D
   It s driving me crazy,    and you can try to lie
          Em
But you re not gonna, not gonna deny
         Bm                        C
No, you re not gonna, not gonna deny my love.
                        D
You can run to the hillside, you can close your eyes
          Em
But you re not gonna, not gonna deny
         Bm                        C
No, you re not gonna, not gonna deny my love.
D                       Em
   You can t deny my love

Bm  C  D

Em                                  C                      Em
The eyes of God, watching over us so   we don t break the golden rules.
Em                                   C                      Em
The seven seas, have we learned or are we   sailing on a ship of fools?
C                        D          Em
I always thought I had a   full tank to go
                  Bm
(But not tonight, you re not alone)
```

```
C                                     D
I always thought we d get there     someday

C                                 D
    It s driving me crazy,     you can try to lie
          Em
But you re not gonna, not gonna deny
          Bm                                C
No, you re not gonna, not gonna deny my love.
                          D
You can run to the hillside, you can close your eyes
          Em
But you re not gonna, not gonna deny
          Bm                                C
No, you re not gonna, not gonna deny my love.
D                         Em
     You can t deny my love

Bm   C   Em

Em
When you close your eyes, tell me what you see.
Em
Locked up in your room is there any room for me?
         G
In the spoils of your mercy
          Am
In the reverence of your bed
         Bm
In the cradle of the morning
       C
What was it that you said?
                        C         D
What s going in your head      now?

        Em
You re not gonna, not gonna deny
          Bm                                C
No, you re not gonna, not gonna deny my love.
                          D
You can run to the hillside, and you can close your eyes
          Em
But you re not gonna, not gonna deny
          Bm                                C
No, you re not gonna, not gonna deny my love.
D                         Em          Bm
     You can t deny my love, my love.

C   D   Em
