I Can Change
Brandon Flowers

Intro: **Dm   C   G   C**

Dm   C   G
When your time runs out
                      C   **Dm**
And you re looking for a place to land
          C   G
I step from the shadow
C   F
Into the palm of your hand
                   C   Dm
When you re out of luck
Am
I ll be what you re looking for
F   C   Dm   Am
Even if it s not who I am
Bb   C   Dm
When you re out of luck
Am
I ll be what you re looking for
Bb   C   Dm   Am
Even if it s not who I am

Chorus:
          Dm C
I can change
          Gm   F
I can change for you
          Dm C
I can change
          Gm   F
I can change or you

        Gm
I can bend
Gm
I can break
            F
I can shift
F
I can shake
            Gm   **F**
Place the trail through the drive of rain
               Dm   C
Girl I can change for you
          G   F
I can change for you

```
Instrumental: Dm  C  G  F (2x)

Dm          C           Gm
When your time runs out
            F
And you don t where to stand
Dm          C           Gm
I ll step from the shadow
F               Dm
I m not your kind
        C                       G
And if you re looking for change

F
I ll be what you re looking for
Dm      C       Gm      F
Even if it s not who I am

Chorus:
        Dm C
I can change
        Gm        F
I can change for you
        Dm C
I can change
        Gm      F
I can change or you

        Gm
I can bend
Gm
I can break
        F
I can shift
F
I can shake
        Gm                      F
Place the trail through the drive of rain
            Dm          C
Girl I can change for you
        G           F
I can change for you

        C
I can slip
C
I can slide
        Dm
I can run
Dm
I can hide
Dm                              Am
Place the trail through the drive of rain
```

```
           Bb              C
Girl I can change for you

Dm                              C G
I ll be what you re looking for
G            C                 Dm C G C
I ll be what you re looking for

         Dm   C
I can change
           G
I can change for you
C
I ll be what you re looking for
        Dm      C
I can change
         G
I can change for you
```
