Playing With Fire
Brandon Flowers

Intro: **Em C D Am B7**

Em
Daddy I m not going to say I m sorry.
C
There ain t nothing you can do to change my mind.
         D
I m not here to know the things I can not do.
           Am   **B7**
We ve seen the outcome of the boys who didn t fly.
          Em
That road outside that ll you ve been taking home forever,
             C
that ll be the same road I take when I depart.
          D
Those charcoal veins that hold this chosen land together,
          Am   **B7**
may twist and turn but somewhere deep there is a heart

Em
   Playing with Fire.
                        C
You know you re going to hurt somebody tonight.
          D
When you re   out on a wire,
               Am   **B7**
you know you re playing with fire.

           Em
perhaps this calling is the channel of invention.
          C
I will not blush if others see it as a crime.
      D
However dangerous the road, however distant.
           Am   **B7**
These things won t compromise the will of the design.

          Em
Ten thousand demons hammer down with every foot step.
        C
Ten thousand angles rush the wind against my back.
       D
This church of mine may not be recognized by stepol,
        Am   **B7**
that doesn t mean that I will walk without a god.

                  Em

rolling river of truth, can you spare me a sip?
                                Am
The holy fountain of youth, has been reduced to a drip.
                            C
I ve got this burning belief,
                    G
in salvation in love,

this notion may be naive,
        C   G
but when push comes to shove,
                        D
I will till this ground.

                                C   G   C
You know you re gonna hurt somebody tonight.
G   D
    Out on a wire.

C   G
    I might not get there.
                    C
This little town, this little house,
                    G   Em   Em
they seem to be leaning in the wrong direction.
D   Em
    I m not afraid of you no more.
