(Repeat the same progression throughout the rest of the song. :)]

I got a job at the Nugget  
And I saved a thousand dollars for a brand new start  
She said I didn t want to do it but I did it  
Cause I didn t want to break your heart

The waiter whispered when he said  
We had to take the conversation to the parking lot  
Please baby, please Valentina, baby you're the only thing I got

Was it something that I said or did?  
Was it something that I should have kept hid?  
If you leave me hanging I don't know what I'll do  
It doesn't matter who's wrong or right  
In the clear of the blue moonlight  
You got me on my knees  
Valentina, this is not like you

I hear church bells ringing in my head  
And I take them everywhere I go  
Valentina met a dealer and I heard they had a baby five months ago

Was it something that I said or did?  
Was it something that I should have kept hid?  
If you leave me hanging I don't know what I'll do  
It doesn't matter who's wrong or right  
In the clear of the blue moonlight  
You got me on my knees  
Valentina don't say it's true  
This is not like you
