My Lord, what shall I give him today

When I look in his eyes, I ll know that I did okay

V2

Am **C**
My Lord, what shall I sing him for now
Am **C**
A song full of praise, from a mouth full of doubt
Am **C**
I lift up my face, and I sing out loud
Am **C**
With all my mistakes, I still make him proud

On that rugged walk, He knew

One final breathe

He conquered death

Am **C**
My lord, where would he want me to go

With no time to spare, and no heavy load
