

Im Not Who I Was
Brandon Heath

Chords Used: **E, Bm/F#, D, A**

This is a super-novice version, personally I prefer version 3 if you re a more experienced musician.

Listen to the song to figure out the strumming, and remember that this song is not supposed to be in chords, so these may not sounds exactly right, but I did my best.

E -0-2-2-1-0-0-
Bm/F#-2-2-4-4-3-2-
D -0-0-0-2-3-2-
