

**Sunrise**

**Brandon Heath**

Hey everyone. This is my very first tab. I figured it out by ear, so some chords might a little off. If you have any corrections or comments, email me at jts0611@yahoo.com.

This is an amazing song by an amazing artist. I hope enjoy it.

CAPO 4

Intro:

**Em, G**

Verse 1:

**Em**

When you want to sound off

**G**

but you can't find the words to

**Em**

Nothing makes sense

**G**

in the way it used to

**Em**

**G**

can't find the plus and the positive thinking

**Em**

**G**

the wells run dry and you're not done drinking

**C**

Clocks starts coming and the sky will fall

**Em**

Clocks start staring from the bedroom wall

**C**

**D**

Now you're breathing just to make it through the night

CHORUS

**C**

All you need is the sunrise

**Em**

just a moment of dawn

**C**

when you're lost in the twilight

**D**

close your eyes and move on

**C**

when you're tired in the waiting

**Em**

and you know its gonna take you

**C**

a little more time

**G**

**D**

just a little more time the sun s gonna find you

(Intro riff)

**Em**

**G**

Holding your days like a stack of paper

**Em**

**G**

and the chasing the wind as the pages scatter

**Em**

**G**

you can save a few but you can t get them all back

**Em**

**G**

so get out fast, with your heart intact

**C**

Find yourself on the very edge

**Em**

Lying awake in an empty bed

**C**

**D**

Now you re breathing just to make it through the night

CHORUS

**C**

All you need is the sunrise

**Em**

just a moment of dawn

**C**

when you re lost in the twilight

**D**

close your eyes and move on

**C**

when you re tired in the waiting

**Em**

and you know its gonna take you

**C**

a little more time

**G**

**D**

just a little more time the sun s gonna find you

(Intro riff)
