Song: Your Love
Tabbed By: DiscoFerret22
Tuning: Standard

Verse1
```
Bbm            F#                    C#
I felt it first when I was younger
   Bbm             F#                  C#
A strange connection to the light
     Bbm             F#           C#
I tried to satisfy the hunger
                      Bbm
I never got it right
      F#               C#
I never got it right
```

Verse2
```
   Bbm                F#                      C#
So I climbed a mountain and built an altar
   Bbm              F#                 C#
Looked out as far as I could see
   Bbm            F#               C#
And everyday Iâ€™m getting older
                       Bbm
Iâ€™m running outta dreams
         F#               C#
Iâ€™m running outta dreams
```

Chorus
```
            F#
But Your love
          C#
Your love
     Bbm                          G#               F#
The only the thing that matters is Your love
        C#        Bbm              G#
Your love is all I have to give
        F#          C#         Bbm              G#
Your love is enough to light up the darkness
             F#
Itâ€™s Your love
          C#
Your love
 Bbm              G#                F#      C#      Bbm
all I ever needed is Your love
```

Verse3
```
 Bbm             F#             C#
You know the effort I have given
   Bbm            F#             C#
And you know exactly what it cost
  Bbm             F#            C#
And though my innocence was taken
                     Bbm
Not everything is lost
        F#          C#
Not everything is lost
```

Chorus
```
          F#
But Your love
        C#
Your love
    Bbm                    G#              F#
The only the thing that matters is Your love
     C#        Bbm              G#
Your love is all I have to give
     F#         C#        Bbm            G#
Your love is enough to light up the darkness
           F#
Itâ€™s Your love
        C#
Your love
 Bbm           G#            F#     C#     Bbm    G#
all I ever needed is Your love
```

Bridge
```
F#
Youâ€™re the hope in the morning
G#
Youâ€™re the light when the night is falling
F#
Youâ€™re the song when my heart is singing
G#
itâ€™s Your love
F#
Youâ€™re the eyes to the blind man
G#
Youâ€™re the feet to the lame men walking
F#
Youâ€™re the sound of the people singing
G#
Itâ€™s Your love
```

Chorus
```
          F#
But Your love
        C#
Your love
```

```
      Bbm                           G#                    F#
The only the thing that matters is Your love
         C#         Bbm              G#
Your love is all I have to give
        F#          C#         Bbm               G#
Your love is enough to light up the darkness
              F#
Itâ€™s Your love
         C#
Your love
 Bbm               G#                    F#       C#       Bbm
all I ever needed is Your love
