Says if one won t work, then another one will  
**C** **G**  
If you got a little hurt, you take a little pill

**Bm** **C**  
Lay it on your tongue, Ain t a nerve that can t be numbed

**G** **Bm** **C**  
ain t a buzz that you can t buy, ain t a low you can t make high

**Em** **G** **Em** **G**  
till it wears off, like it always will and when it does you take a little pill

**Em** **G**  
whooo-whoooo-whoooo, whooo-whoooo-whoooo

**Em** **G**  
whooo-whoooo-whoooo, whooo-whoooo-whoooo

**Em** **G**  
You don t need a needle, you don t need a vein, don t burn like whisky or cost  
like cocaine

**Em** **G**

Ever loose a lover, or wanna loose some weight, what you can t cure, you can  
medicate
