

I Wanna Be Down
Brandy

I WANNA BE DOWN

Lyrics & Music: Keith Crouch, Kipper Jones

Tabbed by Linus Olsson (L*)

The chords in this song are just Bm (x24432) to Em (022000) all the way.
Try to play them on a guitar along with the song. It sounds nice!

Interlude:

=====

- h = hammer on
- b = bend
- r = release bend
- = slide down
