Torn Down
Brandy

Built
F#
this love in
B
24

hours
E
Laid it brick by
F#
brick by brick

Reached my limit, this thing gave
C#m
me

B
more

power

I cannot win, oh win,
C#m
oh
Donâ€™t tell me I canâ€™t build on anything

Just â€™cause they couldnâ€™t do it
I took a whole lifetime trying to find a way up
And feeling useless
â€˜Cause Iâ€™m gonna love you, right now

And itâ€™s so strong, donâ€™t
F#
know how, canâ€™t be torn
E
down

So strong, donâ€™t know
F#
how, canâ€™t be torn down
So strong, donâ€™t know how, I canâ€™t be torn down
They donâ€™t know our love is still standing

They won't get enough, they
E
won't, they won't

Shake the
G#m
foundation just
B
to try and do damage
They can try with all they want, whoa
Don't tell me I can't build on anything

Just 'cause they couldn't do it
I took a whole lifetime trying to find a way up

And
F#
feeling

useless

'Cause I'm gonna
E
love you, right now

And it's so strong, don't know how, can't be
F#
torn

down
So strong, don't know how, can't be torn down
G#m
So strong, don't know how, I can't be
B
torn

down

We're higher,
G#m
baby, the love sky scraping

I might be crazy, but I think when
F#
we're

gone

Our love's gonna still
G#
stay

strong

'Cause
E
of the way we
G#m
made

it
'Cause of the way we made it
G#
'Cause of the
G#m
way we made it

'Cause
F#
of the way we made it, whoa, we made love
Don't tell me I can't build on anything

Just 'cause they couldn't do it

I took a whole lifetime trying
B
to find a way up
And feeling useless
'Cause I'm gonna love you, right now

And
F#
it's so strong, don't know how, can't be torn down

So
C#m
strong, don't know how, can't
B
be torn down

So strong,
G#m
don't know how, I can't be torn down

I'm gonna love
F#
you right now

And it's
G#m
so strong, don't know how, can't be
G#m7
torn

down
