

Starling

Brave Saint Saturn

Hey Guy s this is my first uploaded tab (emphasis on uploaded)
But I know the chords are right
Lyrics I hope are right
Timing I think is right
but ya know what you came here for IS right so, yeah AWESOME

Capo 3

Am **F** **C** **Em**
Filthy Bird Laying in our yard

Am **F** **C** **Em**
Four chambered heart never beat so hard

Am **F** **C** **Em**
Dad said she was almost gone

Am **F** **C** **Em**
Upside down out on our lawn

Am **F** **C** **Em**
And I could hold her in a shoe box

Am **F** **C** **Em**
if she heals she could be mine

Am **F** **C** **Em**
and if I can not save her spirit

Am **F** **C** **Em**
Dad says I should break her spine

Am **F**
Shaking brilliant, silver black wings

C **Em**
Jesus Christ what prayers these dare sing

:CHORUS:

Am **C**
Wear your hearts out on your sleeves for

F **G**
starlings, starlings

Am **C**
All the least of all of these are

F **G**
Starlings, starlings

Am **F** **C** **Em**
Two years pass I pump the chamber

Am **F** **C** **Em**
full of air to shoot the birds

Am **F** **C** **Em**
harmless game to hit them slightly

Am **F** **C** **Em**
Scare them off in other words

Am **F** **C** **Em**
Starling, falling to her death

Am **F** **C** **Em**
Piercing copper steals her breath

Am **F** **C** **Em**
See the flower in her breast

Am **F** **C** **Em**
starving babies in her nest

Am **F**
Raise our souls up to the sky

C **Em**
Why must helpless creatures die

(Chorus)

:BRIDGE:

Am **C**

Every breath, has sacred weight

Am **C**
Every life has some design

Am **C**
Yet we kill and possess faith

Am **C**
Speak of life, while digging graves

Am **F**
Raise our souls up to the sky

C **Em**
Why must helpless creatures die

(Chorus X2)

Well There ya go I hope its right and if its not E-mail me at
