

Green-Eyed Taxi
Brazzaville

(Not sure about lyrics, there might be a lot of mistakes, sorry)

Dm B C Am
Life it slips right by you
B E7 Asus4 A7
Your dreams all left behind you
Dm B C Am
It's cold and rain is falling
B E7 Asus4 A
A lonely day is turning

Dm B C Am
O-o-o-oh, Green-eyed taxi rescue me
Dm B C F
O-o-o-oh, Cause I'm half a man I used to be
Dm B C Am
O-o-o-oh, All of the loves I threw away
Dm B C F F Asus4 A
O-o-o-oh, And now my skies are turning grey

Love is the great surrender
Her arms so warm and tender
The high life, but you're followed
As left you sad and hollowed

Asus4: 557755 or x02230
B: 688766 or x13331

Easier to play with capo on the 5th fret.
