

Clouds Suite
Bread

A **C#m**
See the clouds adrift so far below
A **C#m**
Everchanging as they come and go
F# **Bm**
Makes me wonder why I m up so high
E **E7**
When really I am down so low

A **C#m**
Of all the wonders I was one allowed
A **C#m**
I think that I would always choose a cloud
F# **Bm**
Always brings my feelings right out loud
E **E7**
Whether I m ashamed or proud

A **C#m**
On this airplane comin home to you
A **C#m** **G**
Sometimes I think I ve flown my whole
F#
life through
Bm **E**
My whole life... through
Bm **E** **A**
As I wing my way to you

A **C#m**
See the clouds they re giving life below
A **C#m**
In colors that the canvas cannot show
F# **Bm**
Keeping secrets no one else could know
E **E7**
For I m the one who told them so

A **C#m**
Now and then I get up close to you
A **C#m**
I d like to stay but I m just passing through
F# **Bm** **E**
So I ll have to say goodbye...
Bm **E** **A**
Until next time I fly.

(interlude)

D **C#m**
Make my bed-light the light
Bm **A**
Comin in on the midnight flight
Bm **A**
Touch the ground and soon you will be
A7 **D**
Safe inside reality

D **C#m**
Change your mind-change your name
Bm **A**
Still the music it sounds the same

Am **C** **Am** **C**
Rainfall don t bother me at all
F **G** **C**
You see the world reflected on the highway
Am **C** **Am** **C**
Come on rainbow-I can t let you go
F **G** **C**
Before I reach the end of you someday

Am **C**
So the next time raindrops fall
Am **C** **G**
If it makes you climb the walls just think
Am
of green.
